I am aware that cover shall be provided in accordance with the Agreement.

- I declare that the information given in this application is true and that disclosure in respect of each person included in this application is complete, even if some of the information provided is not in my own handwriting. We are covered by the FSCS. **You** may be entitled to compensation from the scheme if **We** cannot meet **Our** obligations. This depends on the type of business and the circumstances of the claim. Insurance advising and arranging is covered for 90% of the claim, without any upper limit.

Where **We** act on your behalf **We** shall hold premiums due to insurers, any claims payments and/or premium refunds due to **You** as client money ("Client Money"). During the provision of the Services to **You**, **We** will deposit all payments received in respect of Client Money in a statutory trust bank account that complies with FCA Rules ("Trust Account"). These regulations seek to protect clients against any inability of an insurance broker to transfer premiums to an insurer or to transfer claims payments and/or premium refunds to the client.

Where **We** act on insurers' behalf **We** shall hold money as insurer money ("Insurer Money"). Premiums received by **Us** will be treated as having been received by insurers whereas claims payments and/or premium refunds will only be treated as having been received by **You** when they are actually paid to **You**. In the normal course of business and within the standard terms of **Our** Trust Account(s) arrangements, **We** may place part of the Trust Monies into money market funds. **We** shall retain sole rights to all interest and earnings received on Trust Monies rather than pay them to **You**. Under the terms of the Trust Account(s) **We** are responsible for meeting any trust fund shortfalls arising from this.

We will pay premiums directly to insurers and receive premium refunds and/or claim payments directly from insurers or their representatives except where **We** have engaged the services of another intermediary or settlement agent in which case settlements may then be transferred between **Us** and the other intermediary or settlement agent. Should such an intermediary or settlement agent be located outside of the United Kingdom, payments will be made to and from their jurisdiction and will be subject to a legal and regulatory regime different from that of the United Kingdom**.** In the event of a failure of the intermediary or settlement agent, the Client Money may be treated differently from the Treatment which would have applied if it were held by an intermediary in the United Kingdom. **You** may notify **Us** if **You** do not wish your money to be passed to a person in a particular jurisdiction and **We** will consider making a payment to an alternative jurisdiction.

We may deposit Client Money in a client bank account outside the United Kingdom, unless **You** notify Us that **You** do not wish your money to be held in a particular jurisdiction. In such circumstances, the legal and regulatory regime applying to the approved bank will be different from that of the United Kingdom and, in the event of a failure of the bank, your money may be treated in a different manner from that which would apply if the money were held by a bank in the United Kingdom.

We believe the above arrangements provide **You** with significant and effective protection for Client Money. **Your** agreement to all aspects of these arrangements will be assumed unless an objection is registered with **Us** prior to your first remittance being received by **Us**.

I understand that Now Health International will give at least six weeks' notice of renewal and that the premiums may vary each year. I understand that Now Health International cannot be held liable if my **Plan** is lapsed should the credit card be declined and I do not respond to requests for alternative methods of payment.
