We will not pay for **Your Evacuation** costs if the **Evacuation** is directly or indirectly related to a **Medical Condition** which has been specifically excluded on **Your Certificate of Insurance**, or to any other **Medical Condition** or event specifically excluded in **Your Group Plan**.

3.4 Accessing elective Treatment in the USA

If **You** have selected the USA Elective **Treatment** option and need referral to a **Medical Practitioner** or **Hospital** in the USA, please follow the steps below.

If **You** are referred for **Out-Patient** diagnostics and surgery, **Day-Patient** or **In-Patient Treatment** in the USA, **You** must contact **Us** as soon as **You** can. **We** will confirm that the facility is an **In Network Medical Provider** and will try to arrange to settle the bill directly with the medical provider. If the medical provider **You** have selected is out of network, **We** will make arrangements to find an equivalent medical provider that is in network.

Step 1

Five working days before **Your Treatment** (or as early as possible), contact **Our** team of Clinical Advisers on T +65 6880 2300 | F +65 6220 6950 | SingaporeService@now-health.com

A Clinical Adviser will verify **Your** entitlement to **Benefits** for the proposed **Treatment** and give **You** details on how to claim.

Tell **Us** the name of the medical facility, telephone number, fax number, contact name and the name of the **Medical Practitioner**.

Step 2

Choose how **You** would like to claim.

You can complete an online claim form at www.now-health.com. Claim forms are available within **Your** online secure portfolio area.

Alternatively, **You** can download a claim form to send to **Us** or use a printed claim form. **You** can request a form from **Our** customer service team, or **Your** intermediary, if **You** are using one.

Call **Us** on +65 6880 2300 to request a printed claim form, or if **You** would like help to access **Your** online secure portfolio area.

Complete all relevant sections of the claim form. Take the claim form with **You** and ask the medical provider to complete it and fax it to **Us**.

Step 3

When **You** arrive at the medical provider on the day of **Your Treatment**, show **Your** membership card and tell the medical provider that **We** have arranged **Direct Billing** through **Our** agents in the USA, AXA Assistance.

We may also ask **You** to fill in some extra forms, such as an agreement that the medical provider can release information about **You** to **Us**. **You** can access all forms from **Your** online secure portfolio area at www.now-health.com.

You will need to pay any **Excess** on **Your Group Plan** to the medical provider before **You** leave.

Step 4

When **You** leave, ask the medical provider to send the original claim form and bill to **Us** for payment. **You** can track all subsequent claims activity on **Your** online secure portfolio area. Log in at www.now-health.com using **Your** username and password.

Important notes:

Please contact **Us** before **You** receive any **In-Patient Treatment**, **Day-Patient Treatment** or major **Out-Patient Treatment**. If **You** don't contact **Us** before **Your** admission, **We** may not be able to arrange to pay the medical provider directly. This might mean that **You** have to pay a deposit to the **Hospital** or pay **Your** bill in full.

If **You** go to an **Out of Network Medical Provider**, **We** will apply a **Co-Insurance** of 50% to any **Eligible Treatment** as per **Your Benefit Schedule**. **You** will be responsible for the difference, which **You** will have to pay directly to the **Out of Network Medical Provider**.

We reserve the right to refuse to cover any medical expenses that **You** incur in the USA that **We** have not authorised.

If **We** pay the medical provider directly for any **Treatment** that is not **Eligible** under **Your Group Plan**, **You** must refund the equivalent sum to **Us**.

You will need to pay any **Excess** on **Your Group Plan** to the medical provider before **You** leave.

3.5 What must I provide when making a claim?

Please make sure that **You** complete all the forms **We** ask **You** to.

You must send **Us** all **Your** claim information within six months of the first day of **Treatment** (unless this is not reasonably possible).

If the total amount **You** are claiming now or have claimed (per **Insured Person**, per **Medical Condition**, per **Period of Cover**) is over USD 500, please ensure Section 3 of the claim form is completed by the treating **Medical Practitioner**.

3.6 Do I need to provide any other information?

It may not always be possible to assess the eligibility of **Your** claim from the claim form alone, which means **We** may sometimes ask **You** for additional information. This will only ever be reasonable information that **We** need to assess **Your** claim.

We may request access to **Your** medical records including medical referral letters. If **You** don't reasonably allow **Us** access to this important information, **We** will have to refuse **Your** claim. This means that **We** will also recoup any previous payments that **We** have made for that **Medical Condition**. There may be instances where **We** are uncertain about the eligibility of a claim. If this is the case, **We** may, at **Our** own cost, ask a **Medical Practitioner** chosen by **Us** to review the claim. They may review the medical facts relating to a claim or ask to examine **You** in connection with the claim. In choosing a relevant **Medical Practitioner**, **We** will take into account **Your** personal circumstances. **You** must co-operate with any **Medical Practitioner** chosen by **Us** or **We** will not pay **Your** claim.

3.7 What should I do if I also have cover on another insurance policy?

If **You** are making a claim, **You** must tell **Us** if **You** are able to claim any costs from another insurance policy. If another insurance policy is involved, **We** will only pay **Our** proper share.

3.8 What should I do if the Benefits I am claiming relate to an injury or Medical Condition caused by another person?

You must tell **Us** on the claim form if **You** are able to claim any of the cost from another person.

If **You** are claiming for **Treatment** for a **Medical Condition** caused by another person, **We** will still pay for **Benefits** that **You** can claim under the **Group Plan**.

If **You** are claiming for **Treatment** for an injury caused by another person, **We** obtain the right by law, to recover the sum of the **Benefits** paid from the other person. **You** must tell **Us** as quickly as possible about any action against another person and keep **Us** informed of any outcome or settlement of this action.

Should **You** successfully recover any monies from the third party, they should be repaid directly to **Us** within 21 days of receipt on the following basis:

- if the claim against the third party settles in full, **You** must repay **Our** outlay in full; or
- if **You** recover only a percentage of **Your** claim for damages **You** must repay the same percentage of **Our** outlay to **Us**.

If **You** do not repay **Us** (including any interest recovered from the third party), **We** are entitled to recover the same from **You**. In addition, **Your Benefits** may be cancelled in line with section 9 in the Rights and Responsibilities section.

The rights and remedies in this clause are in addition to and not instead of rights or remedies provided by law.

3.9 If You have an Excess and or Co-Insurance on Your Group Plan

Any **Excess** or **Co-Insurance** is shown on **Your Certificate of Insurance** and charged in the same currency as **Your** premium.

An **Excess** or **Co-Insurance** is the amount **You** pay towards the cost of a claim for any **Insured Person** on **Your Group Plan**. **You** can choose the type and level of **Excess** when **You** buy or renew **Your Group Plan**. When a claim is made, any **Excess** is automatically deducted.

The **Excess** applies per **Insured Person**, per **Medical Condition**, per **Period of Cover**. For example, if the **Insured Person** claims for **In-Patient Treatment** for two separate **Medical Conditions**, an **Excess** will apply to each **Medical Condition** rather than a single **Excess** relating to the **In-Patient Treatment**. An **Excess** will always be deducted before any **Co-Insurance** percentage is applied. Please note that if **You** have selected the **Out-Patient Per Visit Excess**, **You** must pay the first USD 25 of any **Eligible Out-Patient** claim.

Even if **Out-Patient Direct Billing** has been selected, **You** will still be responsible for any **Co-Insurance** payments under the **Group Plan** and the **Group Plan Excess** will still apply to both **In-Patient** and **Day-Patient Treatment**.

A **Co-Insurance** is a percentage payment made by **You** per **Medical Condition** per **Period of Cover**. For example, if an **Insured Person** claims for **Out-Patient Treatment**, the **Excess** will be deducted first and the **Co-Insurance** will be calculated on the remaining amount.

You need to submit **Your** claim form and bills, even if the **Excess** is greater than the **Benefits You** are claiming, so **We** can administer **Your Group Plan** correctly. When **You** make a claim, **We** will reduce the amount **We** pay **You** until the **Excess** limit is used up.

3.10 How will claim reimbursements be calculated?

Claims reimbursements will in all cases be based on the date of **Treatment**, and in the first instance will be paid in the same currency as the claim invoice. Alternatively, the currency of the **Plan** may be requested or **We** will endeavour to pay in another currency of **Your** choice. **We** will convert currencies based on the exchange rates quoted by Citibank as of the **Treatment** date.

3.11 What currencies can claims be made in?

You have the choice of claims reimbursement in either the currency of **Your Group Plan**, the currency **You** incurred **Your** claim in, or another currency of **Your** choice. Listed below are the currencies **We** can transact in.

5. Benefits: What is covered?

All the **Benefits** covered by WorldCare are shown in the **Benefit Schedule** in this section. The **Benefit** limits are per **Insured Person** and either per **Medical Condition** or per **Period of Cover**, with lifetime limits in place for **Terminal** illness.

Please remember that this **Group Plan** is not intended to cover all eventualities.

In return for payment of the premium, **We** agree to provide cover as set out in the terms of this **Group Plan**.

Please refer to the definition of **Group Plan** in section 1 for details of the documents that make up **Your Group Plan**.

5.1 Summary of WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury.

WorldCare provides worldwide cover, excluding the USA, unless the USA elective **Treatment** option is selected. A summary of each **Group Plan** option is shown below:

Essential	Cover for In-Patient and Day-Patient Treatment , and the option for a higher Excess to lower Your premiums, if You want to cover high cost/ low frequency major medical events only.
Advance	As with Essential, and limited cover for Out-Patient Treatment .
Excel	As with Advance, and cover for dental and generally higher Group Plan limits.
Apex	As with Excel, and cover for dental and maternity, as well as Benefits with higher overall limits.

Please note:

If a nil **Excess** option is selected on Advance, Excel and Apex **Group Plan** options, or either the **Out-Patient Per Visit Excess** or the **Out-Patient Direct Billing** option is selected, the **Insured Person** will benefit from **Out-Patient Direct Billing** within Our **Out-Patient Direct Billing** Provider Network for **Out-Patient** charges. If **Your** membership card has “**Out-Patient Direct Billing**” clearly marked, the medical facility will not ask **You** to settle the charges. They will do this directly with **Us**. If **You** have selected the **Out-Patient Per Visit Excess**, **You** must pay the first USD 25 of any **Eligible Out-Patient** claim.

The above is a summary of just some of the **Group Plan Benefits**. For full details of the **Benefits** and exclusions, it is important that **You** read this handbook in full. For the full **Benefit Schedule**, please go to section 5.3.

5.2 Pre-Authorisation

When **You** should contact us before **Treatment** starts.

Your Group Plan with **Us** will only cover **Reasonable and Customary Charges** for **Treatment** that is **Medically Necessary**. It is important that **You** contact **Us** before **Treatment** for **Us** to confirm if such **Treatment** is **Eligible** under **Your Group Plan**.

Pre-Authorisation is therefore required before undertaking **Treatment** and incurring charges.

The **Benefit Schedule** details those **Benefits** requiring **Pre-Authorisation** by showing “**Pre-Authorisation** 📞”.

You should contact **Our** team of Clinical Advisers on on +65 6880 2300 | Fax +65 6220 6950.

Pre-Authorisation means all costs under this **Benefit** require **Pre-Authorisation** from **Us**, which may or may not be included in **Your Group Plan**.

Pre-Authorisation is required for the following:

- All **In-Patient Treatment**
- All pre-planned **Day-Patient Treatment**
- All pre-planned surgery
- **Diagnostic Procedures** – positron emission tomography (PET) scans
- **In-Patient Psychiatric Treatment**
- **Evacuation and Repatriation**
- Mortal Remains
- Physiotherapy for the Advance, Excel and Apex **Group Plan** options after every 10 sessions
- Nursing Care at home
- AIDS
- USA elective **Treatment**

If **Pre-Authorisation** is not obtained and **Treatment** is received and is subsequently proven not to be **Medically Necessary**, **We** reserve the right to decline **Your** claim. If **Treatment** is **Medically Necessary**, but **You** did not obtain **Pre-Authorisation**, **We** will only pay up to **Reasonable and Customary Charges**. By **Reasonable and Customary Charges We** mean the standard fee that would be typically made in respect of **Your Treatment** costs, in the country **You** received **Treatment**.

In the case of any **Emergency**, **You**, the treating **Medical Practitioner** or the **Hospital**, must contact **Our** 24 hour **Emergency** assistance service as soon as possible. Failure to obtain **Pre-Authorisation** for **Treatment** of an **Eligible Medical Condition** means **You** may incur a proportion of the costs.

5.3 Now Health International: WorldCare

WorldCare has been designed to provide cover for **Reasonable and Customary Charges** for **Medically Necessary** and active **Treatment** of disease, illness or injury. The **Benefit Schedule** below details the cover provided by each **Group Plan**. This is additional information that should be read in conjunction with this complete handbook.

Benefits aim to cover short term **Treatment** of acute episodes of **Chronic Conditions**, to return **You** to the state of health **You** were in immediately before suffering the episode, or which leads to a full recovery. If this is not possible and maintenance therapy of a **Chronic Condition**, such as but not limited to asthma, diabetes, and hypertension, is required, such cover will be provided by **Benefit 1 – Chronic Conditions**, and the **Group Plan** limit per **Insured Person**, per **Period of Cover** will apply. If **You** are unsure of **Your** particular circumstances, please contact **Our** Customer Services team before incurring any **Treatment** costs. Some cover states "Full Refund" and this means that **Eligible** claims are covered up to the annual maximum **Group Plan** limit, after any deduction of any **Excess** or **Co-Insurance** or similar condition, if **Reasonable and Customary Charges** for **Medically Necessary Treatment** are incurred.

At the start of each **Group Plan** year, **We** will calculate **Your** new premium and let the **Plan Administrator** know how much it is. The **Plan Administrator** must pay **Your** premium when it is due. **We** must receive premiums before the **Start Date**, the due date or within 30 days of **Our** written acceptance, if a cover note is issued, subject to Clause 9.2.13 below.

If the **Plan Administrator** does not pay **Your** premium, **We** will cancel **Your Benefits** from the **Start Date** and will not pay for any **Treatment** or **Benefit** entitlement.

8.2 Plan Owners' Protection Scheme

This **Plan** is protected under the Policy Owners' Protection Scheme which is administered by the Singapore Deposit Insurance Corporation (SDIC).

Coverage for your **Plan** is automatic and no further action is required from you. For more information on the types of benefits that are covered under the scheme as well as the limits of coverage, where applicable, please visit www.tenetsampo.com.sg/FAQ or the General Insurance Association of Singapore (GIA)/Life Insurance Association of Singapore (LIA) or SDIC websites (www.gia.org.sg or www.lia.org.sg or www.sdic.org.sg).

8.3 What we do with your personal data

Please ensure that **You** show the following information to others covered under **Your Plan**, or make them aware of its contents.

We and the **Underwriters** will deal with all personal information supplied in the strictest confidence as required by the Personal Data Protection Act. **We** and **Your** Underwriters collect personal information about **You** and **Your Dependants** (including health, bank account and occupation) for the purpose of establishing and administering **Your Plan**. This includes information supplied by **You**, those family members, medical providers or **Your** employer (if applicable). **Your** information may be passed to Now Health group companies administering **Your Plan**, **Underwriters**, **Medical Practitioners**, Medical Assistance Companies and Claims Administrators for these purposes, including those located outside Singapore. Confidentiality is required of any third parties to whom the administration of **Your Plan** may be subcontracted, including those based outside Singapore. In certain circumstances medical service providers (or others) may be asked to supply further information. **Your** personal details will not be disclosed to other organisations without **Your** consent.

You have a right of access to, and correction of, information that **We** hold about **You**. Please contact **Us** if **You** would like to exercise either of these rights. Some of the information **We** collect about **You** may be classified as "sensitive" – that is information about racial or ethnic origin and physical or mental health. Data protection laws impose specific conditions in relation to sensitive information, including, in some circumstances, the need to obtain **Your** explicit consent before **We** process the information.

When **You** provide information about family members, **We** will take this as confirmation that **You** have their consent to do so. As the legal holder of the **Plan** all correspondence about the **Plan**, including claims correspondence, will be sent to the **Planholder**. If any family member over 18 insured under the **Plan** does not want this to happen they should apply for their own **Plan**.

There is a legal requirement, in certain circumstances, to disclose information to law enforcement agencies relating to suspicions of fraudulent claims and other crimes. If required, information will be disclosed to third parties including other insurers for the purposes of prevention or investigation of crime including fraud or otherwise improper claims where there is reasonable suspicion. This may involve adding non-medical information to a database that will be accessible to other insurers and law enforcement agencies. Additionally, the General Medical Council or other relevant regulatory body will be notified about any issue where there is reason to believe a **Medical Practitioner's** fitness to practise may be impaired.

Please contact **Our** Customer Services team or write to **Us** at the address on the back of this handbook if **You** wish Now Health International group companies to contact **You** via letter, SMS or email with details of other IPMI or related product and services. A list of Now Health group companies, their contact details and **Our** Data Privacy Policy is available at www.now-health.com.

9. Rights and responsibilities

The group agreement between **Us** and **Your** company/employer, the group application form, the group employee application form (if applicable) and any supporting documents, the **Certificate of Insurance**, **Benefit Schedule** and this handbook incorporating the **Group Plan** terms and conditions make up the contract between the **Planholder** and **Us**, with the purpose of providing **You** with **Benefit** when **You** need medical **Treatment**.

9.1 Your rights and responsibilities

- 9.1.1** **You** must make sure that whenever **You** are required to give **Us** any information, all the information **You** give **Us** is sufficiently true, accurate and complete so as to give **Us** a fair presentation of the risk **We** are taking on. If **We** discover later it is not, then **We** can cancel **Your** cover under the **Group Plan** or apply different terms of cover in line with the terms **We** would have applied had the information been presented to **Us** fairly in the first place.
- 9.1.2** Apart from certain countries where **We** have explicitly agreed to cover local nationals, this **Group Plan** is available only to people living outside their **Country of Nationality** so **You** must tell **Us** immediately via the **Plan Administrator** if **You** or any family member has gone to live in **Your Country of Nationality** – which means they will be in that country for more than six months in the year. **You** must tell **Us** if **You** change **Your** principal **Country of Residence**. If **You** don't tell **Us** **We** can refuse to pay **Benefits** claimed for.
- 9.1.3** Only **We** and the **Planholder** have legal rights under this **Group Plan** and it is not intended that any clause or term of this **Group Plan** should be enforceable, by any other person including any family member.
- 9.1.4** If **You** have an **Out-Patient Direct Billing** membership card, it is **Your** responsibility to return all such cards for **You** and **Your Dependants** to **Us** if the **Plan Administrator** cancels or does not renew **Your Group Plan**. **We** will not be liable for any misuse by **You** of such **Out-Patient Direct Billing** membership cards.
- 9.1.5** This **Group Plan** shall be governed by and construed in accordance with the Laws of Singapore and the parties agree to submit to the jurisdiction of the Singapore courts.

9.2 Our rights and responsibilities

- 9.2.1** **We** will tell the **Planholder** in writing the date the **Group Plan** starts and any special terms which apply to it.
We can refuse to give cover and will tell the **Planholder** if **We** do.
- 9.2.2** If for whatever reason there is a break in **Your** cover, **We** may reinstate the cover if the premium is subsequently paid, though terms of cover may be subject to variation. Any acceptance by **Us** is subject to **Our** written consent and the **Planholder's** acceptance.
- 9.2.3** **We** can refuse to add a family member to the **Group Plan** and **We** will tell the **Planholder** if **We** do.
- 9.2.4** **We** will pay for **Eligible** costs incurred during a period for which the premium has been paid.
- 9.2.5** If **You** break any of the terms of the **Group Plan** which **We** reasonably consider to be fundamental, **We** may (subject to 9.2.8) do one or more of the following:
- Refuse to make any benefit payment or, if **We** have already paid **Benefits**, **We** can recover from **You** or the **Planholder** any loss to **Us** caused by the break
 - Refuse to renew **Your Benefits** under the **Group Plan**
 - Impose different terms to any cover **We** are prepared to provide
 - End **Your Group Plan** and all cover under it immediately

9.2.6 Break in cover

Where there is a break in cover, for whatever reason, **We** reserve the right to reapply exclusion 6.24 in respect of pre-existing medical conditions.

9.2.7

Waiver by **Us** of any breach of any term or condition of this **Group Plan** shall not prevent the subsequent enforcement of that term or condition and shall not be deemed to be a waiver of any subsequent breach.

9.2.8

If **You** (or anyone acting on **Your** behalf) make a claim under **Your Group Plan** knowing it to be false or fraudulent, **We** can refuse to make benefit payments for that claim and may declare **Your Benefits** void, as if it never existed. If **We** have already paid the benefit **We** can recover those sums from **You** or the **Planholder**. Where **We** have paid a claim later found to be fraudulent (whether in whole, or in part), **We** will be able to recover those sums from **You**.

9.2.9

We retain all rights of subrogation. **You** have no right to admit liability for any event or give any undertaking, which is binding upon **You**, **Your Dependants** or any other person named in the **Certificate of Insurance** without **Our** prior written consent.

9.2.10

We may alter the handbook terms or **Benefit Schedule** from time to time, but no alteration shall take effect until the next annual **Renewal Date**. **We** shall notify such changes to the **Plan Administrator**. **We** reserve the right to revise or discontinue the **Group Plan** with effect from any **Renewal Date**. No variation or alteration will be admitted unless it is in writing and signed on behalf of **Us** by an authorised employee.

9.2.11

This **Group Plan** is written in English and all other information and communications to **You** relating to this **Group Plan** will also be in English unless **We** have agreed otherwise in writing.

9.2.12 CONDITION PRECEDENT IN THE PLAN

The validity of this **Plan** is subject to the condition precedent that:

- (a) For the risk insured, the named insured has never had any insurance terminated in the last twelve (12) months due solely or in part to a breach of any premium payment condition; or
- (b) If the named insured has declared that it has breached any premium payment condition in respect of a previous policy taken up with another insurer in the last twelve (12) months:
 - (i) The named insured has fully paid all outstanding premium for time on risk calculated by the previous insurer based on the customary short period rate in respect of the previous policy; and
 - (ii) A copy of the written confirmation from the previous insurer to this effect is first provided by the named insured to the Company before cover incepts.

9.2.13 PREMIUM PAYMENT WARRANTY (1 May 2005)

This clause shall apply where the **Plan** is issued to a corporate entity, Period of Insurance is more than sixty (60) days and premium is below S\$100,000.00 in any single **Policy**, Renewal Certificate or Cover Note.

- (a) Notwithstanding anything herein contained but subject to clause 2 hereof, it is hereby agreed and declared that if the Period of Insurance is sixty (60) days or more, any premium due must be paid and actually received in full by the Company (or the intermediary through whom this **Policy** was effected) within sixty (60) days of the:-
 - (i) Inception date of the coverage under the **Plan**, Renewal Certificate or Cover Note; or
 - (ii) Effective date of each Endorsement, if any, issued under the **Plan**, Renewal Certificate or Cover Note.
- (b) In the event that any premium due is not paid and actually received in full by **Us** (or the intermediary through whom this **Plan** was effected) within the sixty (60) day period referred to above, then:
 - (i) The cover under the **Plan**, Renewal Certificate, Cover Note or Endorsement is automatically terminated immediately after the expiry of the said sixty (60) day period;
 - (ii) the automatic termination of the cover shall be without prejudice to any liability incurred within the said sixty (60) day period; and
 - (iii) **We** shall be entitled to a pro-rata time on risk premium subject to a minimum of S\$25.00 or the minimum premium applicable for the **Plan**.
- (c) If the Period of Insurance is less than sixty (60) days, any premium due must be paid and actually received in full by the Company (or the intermediary through whom this **Plan** was effected) within the Period of Insurance.

9.2.14 SANCTION LIMITATION AND EXCLUSION CLAUSE

No insurer shall be deemed to provide cover and no insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, Japan, United Kingdom or United States of America.

9.2.15 TERRORISM EXCLUSION ENDORSEMENT

Notwithstanding any provision to the contrary within this insurance or any endorsement thereto it is agreed that this insurance excludes loss, damage cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any act of terrorism regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For the purpose of this endorsement an act of terrorism means an act, including but not limited to the use of force or violence and/or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political, religious, ideological or similar purposes including the intention to influence any government and/or to put the public, or any section of the public, in fear.

This endorsement also excludes loss, damage, cost or expense of whatsoever nature directly or indirectly caused by, resulting from or in connection with any action taken in controlling, preventing, suppressing or in any way relating to any act of terrorism.

If the Underwriters allege that by reason of this exclusion, any loss, damage, cost or expense is not covered by this insurance the burden of proving the contrary shall be upon the Assured.

In the event any portion of this endorsement is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

9.2.16 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 2001

A person who is not a party to this **Plan** contract shall have no right under the Contracts (Rights of Third Parties) Act 2001 to enforce any of its terms.
