

Oil & Gas Service Contractors in the ASEAN Region

OSCAR (Oil and Gas Service Contractors in the ASEAN Region) has been meticulously designed to fulfill the insurance contractual requirements of general oil and gas contractors in the ASEAN region through:

Singapore has established a strong global foothold in the Oil & Gas industry. It is among the top three global centres for oil & gas equipment manufacturing and servicing. **OSCAR** is developed to provide insurance protection to contractors which are involved in onshore and/or offshore Oil & Gas related works.

Some of the key services include:

- ✓ Maintenance works / repair
- ✓ Survey
- ✓ Equipment rental/ servicing
- ✓ Cleaning services
- ✓ Engineering works
- ✓ Drilling/exploration
- ✓ Security services
- ✓ Catering

OSCAR is designed to provide a comprehensive coverage which is often required by Principals awarding work contracts:-

⇒ Voluntary Work Injury Compensation

Due to the nature of oil and gas projects, your statutory obligation may extend beyond the Singapore Work Injury Compensation Act (WICA) insurance which you are accustomed to. Depending on the project, you may be subjected to the Workmen legislation of another country for example Vietnam. Our policy is designed to cater to the various Worker's Compensation legislation you may be subjected to.

⇒ Public and Products Liability

Protects you against the legal liability to third parties for bodily injury and/or property damage arising out of your business / products.

OSCAR offers Customized coverage for high value contracts, Annual open-cover programs to protect all your operations and ***QuickApply** Coverage for routine and lower value contracts.

***OSCAR QuickApply (if you meet all the criteria below):**
