

Personal Cyber Insurance

Stay safe online with comprehensive cyber protection and peace of mind.

Enjoy discounts off your repair/upgrading services with **\$40 Star Shield voucher** from Challenger offered for every sign-up from 1 Mar 2019 to 31 Aug 2019.

Being online exposes you to cyber threats such as data breach, privacy invasion, and cyber-attacks that imply potential asset losses. Our Personal Cyber Insurance insures you and your family from cyber security breaches with coverage of up to \$25,000 for a year.

Cyber Fraud

Be protected against financial loss that arises from the theft of funds from your personal banking account or your personal digital wallet with an online merchant.

Cyber Extortion

Cyber extortion involves threats to data compromise or computer access. If you were forced to make payment due to a cyber extortion threat, you will be compensated for the extortion payment.

Restoration Costs

Malware attacks and hacking by a third party can result in the damage or corruption of your personal electronic data, digital photos, digital music or digital video. You shall be reimbursed for restoration costs in the event of a cyber security breach.

Identity Theft

The misuse of personal information can harm reputation and affect aspects of life such as your job, freedom and credit status. In the event of an identity theft, you shall be covered for expenses incurred to re-establish your reputation.
