Globalis

Underwritten by QBE Insurance (Singapore) Pte Ltd

The increase in healthcare cost and the growing need to access quality healthcare is apparent in today's world.

To meet this demand, QBE in an exclusive partnership with Safe Meridian, offers Globalis - an international health insurance tailored for individuals, families and companies.

This training will address the comprehensive medical benefits of Globalis, as well as its flexibility to allow customisation of cover to meet a diverse range of client needs.

What does Globalis offer?

- High annual limits and international cover
- Direct billing of hospital expenses
- Plans available to Singapore and offshore clients
- Comprehensive hospitalisation benefits on all plans
- 4 types of plans which include a range of additional benefits: Outpatient, Dental, Wellness, Vision and Maternity
- 8 options to tailor the plan to suit your financial profile
- "No Claim Discount" client reward
- Worldwide emergency assistance and travel benefits
