Plan Name	Summary
Singlife Choice Saver (to be withdrawn on 24 March 2025)	<ul style="list-style-type: none"> - Only plan in our approved product suite where the guaranteed and total yield increases with entry age. As such, based on our comparisons, it has relatively competitive total yield for clients age 40 in the later policy years, suitable for policyholders who seek a much long term wealth accumulation beyond 50 years and also useful for those who make use of the change of life insured option to utilise it to their advantage. - Wide range of premium payment terms as well as policy terms to customize the plan to suit customer's needs depending on whether its a medium to long term endowment. - 100% capital guaranteed before the end of policy term inclusive of a lump sum payout - Change of life insured option applicable up to 3 times, leaving a lasting legacy for loved ones and also helps with long term wealth accumulation given the choice of a longer policy term - Waiver of Interest Benefit upon retrenchment or unemployment - Various rider choices to choose from for premium waiver benefits in the case of CI or additional coverage in the event of Death, TI or TPD with their EasyTerm rider
Singlife Smart Saver	<ul style="list-style-type: none"> - Competitive guaranteed yield for single premium - Competitive total yield for all premium term compared - Life Stage Add-on to buy another add-on savings plan at life stage. - Legacy Distribution Option to distribute the Policy into sub-policies before the policy matures. - Retrenchment Benefit that waives premium payments for up to 12 months if the Life Assured becomes involuntarily unemployed for 3 consecutive months. - Both change of life insured and secondary life insured option is available - Availability of single premium payment option (SRS available)
China Life Eternal Wealth	<ul style="list-style-type: none"> - Earliest breakeven point for Single Premium & 25Pay - Relatively competitive total yield at policy year 30 onwards. - For multi-generational wealth accumulation, this plan provides unlimited number of times change of life insured option & contingent life insured option to ensure policy continuity up to age 138 of new life insured. Other approved plans in our suite typically only provide either change of life insured option or secondary life insured option and for a limited number of times. - Wide range of premium payment terms, including single premium option. - Covers life insured as young as up to 15 days - Premium Freeze option which is applicable to 15pay, 20pay & 25pay can be exercised after the 10th policy year onwards for up to 3 times
Étiqa Enrich flex plus	<ul style="list-style-type: none"> - Relatively competitive guaranteed yield - Earliest breakeven year. - Short limited pay of 3 years is available - For wealth accumulation, it offers a much longer policy term to age 125 of the primary life insured - Provides death benefit which include accidental death coverage until age 80 which pays an additional 100% guaranteed death benefit. - Option to appoint secondary life insured for policy continuity and long term wealth accumulation to make use of the long policy term and leave a legacy for loved ones - Allows regular withdrawal as an added option to withdraw from the policy. This option is not available for other similar plans. - Premium deferment option is available for one year and it can be exercised up to 2 times depending on the premium payment term option
Manulife ReadyBuilder (II)	<ul style="list-style-type: none"> - Earliest breakeven year for 20Pay - Relatively competitive total yield at policy year 20. - Single premium and SRS premium payment option available for clients who prefer a one time premium commitment and also for clients who wants to attain potentially higher returns in their SRS account in the long run. - Change of Life Insured option available to individual and corporate owned policies to continue wealth accumulation (Unlimited times for corporate owned policies and 2 times for individual owned policies) - Premium Freeze option for policyholder to stop paying premium for 1 year (subject to T&C) while keeping policy in force - Waiver of premium upon Total and Permanent Disability coverage as part of their basic coverage which the only product in this category that offers this. - Retrenchment benefit (lump sum payout in the event of a retrenchment). Additional benefit allows clients to access this payout to ease their commitments during the unemployment phase. - Wide range of supplementary benefits (premium waiver riders) to add on to basic plan for additional coverage
Income Gro Saver Flex Pro	<ul style="list-style-type: none"> - Provides competitive total yield at the later policy years for single pay & 5-Pay. This is suitable for clients who are looking into appointing a secondary life insured to ensure policy continuity and also have the potential of gaining more returns to fulfil long term needs. - Wide range of premium payment terms as well as policy terms to customize the plan to suit customer's needs depending on the client's medium to long term needs. - Single Premium and SRS Premium payment option available for clients who are seeking single premium commitment or to enhance their SRS interest by allocating some of their funds into this product for a higher potential returns - Option to appoint secondary life insured for policy continuity as well as wealth accumulation. - Deferring of premiums applicable under Retrenchment Benefit to help clients who are undergoing a hard time during their unemployment phase. - Only plan in this category that allows policyholder to purchase a new policy from income with death and TPD benefits on the life of the original insured without evidence of good health up to 2 times on different life event. This additional coverage will be especially useful for clients who seek additional coverage but have substandard health during the policy term.
