Changes to Shield Coverage for Outpatient Cancer Drug Treatments

NOTICE : From April 2023, people who have bought Integrated Shield Plans may not be able to claim for certain drugs used in outpatient cancer treatments.

With this change,

1. Is your hospitalisation plan enough for your Critical Illness (CI) cover?

2. How can having an adequate CI cover give you a better peace of mind?

Your **healthcare** needs shouldn't erode your **retirement** savings.
