Overview
<p>- Comparison is based on payout basis, including all non-guaranteed bonuses and is largely aligned to age at end of accumulation period with respect to Manulife RetireReady Plus (III) which is at 65ALB.</p> <p>- The guaranteed and total yield for corresponding female profiles, it is about the same as the male profiles.</p> <p>- Total yield can be affected by the payout structure of the plan. For example, plans that pay the non-guaranteed bonuses earlier will have higher yield, compared to plans that payout lump sum at maturity.</p> <p>- Income Gro Retire Flex Pro's accumulation period for single premium mode starts from policy commencement while for the rest of the plans, they start from end of premium payment term.</p> <p>- At maturity, Manulife RetireReady Plus (III) & Income Gro Retire Flex Pro payout the last guaranteed monthly income, non-guaranteed cash bonus and any accumulated retirement income benefit which has built up with interest.</p> <p>- Do note that only single premium payment option for Income Gro Retire Flex Pro is capital guaranteed at the end of accumulation period/upon reaching selected retirement age. It may not be 100% capital guaranteed upon reaching selected Retirement Age for other premium payment term options.</p>
