Product Master List

STRICTLY FOR PIAS' FA REPRESENTATIVES REFERENCE ONLY (NOT FOR CIRCULATION TO PROSPECTS OR CLIENTS)

DISCLAIMERS

- IMPORTANT NOTE:

 1. This Product Master List has been produced by Propel Product Management on behalf of PIAS, and is solely meant for FA Representatives of PIAS as a quick reference and not meant to be reproduced in any manner.
- 2. This Product Master List encompasses only approved products by PIAS only.
- 3. This Product Master List serves only as a guideline for the identification of Financial Objectives under each product. FA Representatives are to undertake a proper fact-find and risk profiling analysis with customers to provide each prospect or client with quality advice and appropriate recommendations based on the prospects' or clients' investment objectives, financial situation and particular needs.
- 4. Products with "1" indicated under the Financial Objectives states that it is the main financial objective of the product.
- 5. Products with "2" indicated under the Financial Objectives means that it is a subjective of the product. FA Representatives are required to provide more detailed and reasonable justifications in writings for the recommendation made.

Needs Analysis Assessment:

- For the needs analysis segment, the number "1" indicated in the example below displays the main financial objectives of the respective products. Aviva WholelifePlan III provides a jumbo sum assured due to the enhanced cover feature which is applicable for clients looking for a high sum assured policy. Hence the number "1" has been placed on the death category. However there is an additional income payout option feature which addresses certain client's needs like for example retirement and savings. The number "2" shows that this product can be used as a sub objective under the Financial Objectives but more detailed and reasonable justifications needs to be made for the recommendation.
